

first of all, let me thank you	all for coming here today
I'm delighted that	so many of you could make it today
for those of you	who don't know me, my name is
I'm here in my function as	in my function as
let me introduce	myself
as you probably know	I'm the new....
as you can see on the screen	our topic today is
what I'd like to present	to you today is
the subject	of my presentation is
by the end of this talk	you will be familiar with

My talk is particularly	relevant to those of you who
I've divided my presentation	into three parts
in my presentation I'll	focus on autotransplantation issues
I'll begin	/start off / by explaining
Finally, I'll offer	some solutions
then I'll	go on to
my presentation will take	about 20 minutes
it should take about 20 minutes	to cover these issues
feel free to ask questions	at any time during my talk
there will be time for questions	after my presentation
